Lost lost lost on the trail  
Lost lost lost on the trail  
We might succeed  
or we might fail  
Lost lost lost on the trail

Larry the Lizard likes to lick  
Lollipop bugs on a stick  
My phone has rung,  
here's my tongue  
Larry the Lizard likes to lick

Which way should we turn?  
Which way should we turn?  
Which way should we turn?  
Which way should we turn?

Every pirate needs a parrot  
like me, like me!

Every pirate needs a parrot  
like me, like me!

Without a parrot,  
he couldn't bear its,  
so don't you see

Every pirate needs a parrot like me, like  
me!

Jam so sweet day and night  
Jam so red and very bright  
Jam that jiggles oh take a bite  
There now I've said it.

Shoo Shoo Shoo!  
We'll make the sound  
dust bunnies rue!  
We'll cry out loud,  
"Dust bunnies! Ouu!"  
Shoo Shoo Shoo!

Searching till something  
comes in sight  
Look to the left,  
look to the right  
Searching, searching,  
gazing high and low

Searching everywhere I go

Follow the trail

Follow the trail

Through sleet, snow, wind and hail

Follow the trail
